**TOWN OF DEERFIELD
DELIBERATIVE SESSION #1
FEBRUARY 05, 2011**

Moderator Jonathan Hutchinson opened the meeting at 9:00 am.

There is no smoking anywhere in this building.

In recognition of the labor and sacrifice of those who created, defended, and refined the privilege of a democratic government under which we assemble this morning, please rise and pledge your allegiance to our flag. As we conclude our pledge, please remain standing for a brief meditation passed down from Joe Brown.

Moderator Hutchinson lead the meeting in the Pledge of Allegiance.

"I suggest that we open this meeting by standing in silent meditation - asking guidance in our conduct of this Deerfield Town Meeting that may prove an effective self government for us all. Guide us in our voting by a sense of purpose and human understanding. In our hands today lie the business affairs of the town for the future. Grant us the sense of fairness to allow all citizens to participate regardless of experience. Help us to express ourselves with restraint and dignity that we may work together harmoniously for the well-being of our town in the coming year."

"So let it be."

Please be seated. Those words were written by Joe Brown and used to open Town Meetings during his tenure as Moderator.

Introductions

Welcome to the First Session of the 2011 Deerfield Town Meeting. The town officials seated before you this morning are:

Selectmen: Steve Barry, Andy Robertson, John Reagan, Alan O'Neal and William Perron

Town Clerk: Kevin Barry assisted by Deputy Town Clerk Kelly Ann Roberts

Town Administrator: Leslie Boswak

Supervisors Checklist Cheri Sanborn and Diane Valade

Ballot Clerks: Barbara Daley, Roger Hartgen, Cindy Tomilson and Kathy Berglund

Purpose, Rules, & Decorum

Each member who wishes to vote in this meeting should have checked in with the ballot clerks, and should have received a voting card and a sheet of ballots. If you are a registered voter and have not checked in yet, please do so now.

Are there any individuals present who are not registered voters of the Town of Deerfield? Though you are not permitted to vote, by Deerfield tradition you are permitted to participate in debate.

The rules for this meeting will be Robert's Rules of Order as modified by the Moderator in accordance with the laws of the State of New Hampshire.

Our meeting today is "for the transaction of all business other than voting by official ballot." This first session "shall consist of explanation, discussion, and debate of each warrant article." Our business today is to consider each warrant article and, within the limits of the law, determine the details of those articles to be voted by official ballot at the March 8th second session. Amendments to articles are in order and will be voted at this meeting. However at the conclusion of our deliberation on each article we will not vote. Instead, the chair will instruct the town clerk to place the article on the official ballot.

Our order of the day is the Town Warrant. The chair will read each article then request a motion to place it on the official ballot and a second for that motion. The maker of the motion will have the first opportunity to speak. Then the floor will be open to all. If you wish to address the meeting, please approach one of the microphones. The chair will recognize members at the microphones in turn.

When it is your turn to speak, please step up to the microphone and speak directly into it. The microphone is voice-activated, and your remarks are recorded so that the clerk may make an accurate record of this meeting.

All remarks must be confined to the merits of the pending question, or to questions of order or privilege, and all remarks must be addressed to the chair. When you are recognized, please state your name. Each speaker will be allowed three minutes to express his or her views. You may speak as many times as you wish, but all members who wish to speak will have a first turn before any has a second. The overriding principle in all cases is fairness.

A speaker may address the currently pending question or he may move to close debate, but he may not do both in the same turn. This means that if a speaker argues for or against a motion, he may not then conclude his remarks with "and I move the previous question." We adopted this rule a number of years ago, and, with the support of the assembly, will follow it in this meeting.

A secret ballot will be conducted when requested by five members in writing prior to a hand vote. Such request must be for a specific vote, not for "all votes in this meeting" or "all amendments to this article". The secret ballot provision exists to offer secrecy, and is not intended to be used as a tactic of delay. If you wish to request a secret ballot, please

approach a microphone, and, when recognized, make the request. Then pass the written request to the Moderator.

Otherwise votes will be by a show of voting cards. If the Chair cannot judge a clear majority, he will move to a Division. Likewise if a member is not satisfied that the result announced by the Chair is correct, he should request a Division. Division will be a count of the raised cards.

Seven members who question any non-ballot vote immediately after it is announced may request a written ballot vote. If the margin of a vote by Division is narrow, the Moderator may also move to a ballot vote.

Five voters may request a recount of a written ballot vote, "providing that the vote margin is not more than 10 percent of the total vote cast." In this case, "the recount shall take place immediately following the public announcement" of that vote.

If there is something you wish to accomplish here but you are uncertain how to proceed, please ask. You can do that at any time during the meeting at one of the microphones, or you can approach any of us during a recess.

Similarly, if during the meeting, something is not clear to you, please rise to a point of inquiry and then ask for an explanation.

Finally, the role of the Moderator is to fairly organize and regulate the meeting according to rules agreeable to the members. Rulings of the Moderator are subject to appeal by any member. An appeal must be made immediately following the ruling. A second is required. The ruling and the appeal will be explained to the meeting. Then the members will vote either to sustain or to reverse the ruling.

FIRST SESSION:

To the inhabitants of the Town of Deerfield, in the County of Rockingham, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, 10 Church Street, on Saturday, the 5th day of February 2011 at 9:00 a.m. This session shall consist of explanation, discussion and deliberation of the Warrant Articles numbered One (1) through Eleven (11). The Warrant Articles may be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

Article 1

To see if the Town will vote to raise and appropriate the sum of \$114,540 (One Hundred, Fourteen Thousand, Five Hundred Forty Dollars), for the purpose of purchasing land at 8 Church Street from the Deerfield Volunteer Fire Association and the Deerfield Rescue Squad.

Recommended by the Board of Selectmen 5-0

Recommended by the Municipal Budget Committee 5-2-1

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry stated that this is essentially the same as last year without the deed restrictions placed on the land by the Fire and Rescue Associations. The Board of Selectmen feel that this is an important piece of property in the center of town. This is the last piece of non-Town owned land in the center of town and is a very important piece.

Kathy Shigo asked if the Board had any plans for the land.

Chairman Barry stated that the Board does not have any plans, but they feel that this land would be used for parking at both the Gazebo and Town Hall by the residents of the town.

Seeing no further discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 2

To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars), for the purpose of purchasing a new or used front-end loader.

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 7-1

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry stated the current loader at the Transfer Station is 24 years old and will cost approximately \$20,000 to bring it to a point of reliability. The current loader is inadequate in size to move the containers around and they feel that by getting a larger loader, either a new or used, will allow for proper maintenance of the facility.

Seeing no discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 3

To see if the Town will vote to raise and appropriate the sum of \$90,000 (Ninety Thousand Dollars), to be placed in the Fire Engine (pumper) Capital Reserve Fund already established.

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 5-2-1

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry stated that this is a reoccurring article with hopes to have the Fire Engine in place by the year 2013.

Seeing no discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 4

To see if the Town will vote to raise and appropriate the sum of \$56,920 (Fifty-Six Thousand, Nine Hundred, Twenty Dollars), of which \$40,301 (forty thousand, three hundred, one dollars), is for the purchase of a 2011 Ford F550 and \$16,619 (Sixteen thousand, six hundred, nineteen dollars) is to purchase and install a dump body and central hydraulics.

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 7-0-1

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry started the discussion by stating that the Highway Department was seeking to replace a 2002 Ford truck with a truck in similar size. Chairman Barry deferred to Highway Agent Alex Cote for further information.

Alex Cote stated that the current 2002 Ford F450 has been plagued with rust problems in the cab, front end problems, and computer troubles. Alex Cote feels that the truck needs to be replaced, and putting money into this existing truck would be a waste of the Town's money.

Seeing no discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 5

To see if the Town will vote to raise and appropriate the sum of \$35,000 (Thirty-Five Thousand Dollars), for the purpose of replacing the front windows and closing off some of the existing windows, insulating, sheet-rocking and siding the front of the George B. White Building.

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 8-0

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry stated that the front part of the George B. White building was built in 1950. The Board of Selectmen have been working toward the maintenance of the building by starting with the replacement of the front windows and continuing with the rear sections next year.

Harriet Cady asked if they had received the energy audit report.

Chairman Barry stated no they have not.

**Harriet Cady made a motion to amend the article to insert at the end of the article "or other improvements to the building if recommended by an energy audit".
Seconded by Jim Spillane.**

Chairman Barry stated that the Board of Selectmen would like to thank Harriet Cady in finding the information on getting the energy grant money.

**Vote on the amendment:
All in favor.**

Seeing no further discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as amended.

Article 6

To see if the Town will vote to raise and appropriate the sum of \$31,785 (Thirty-One Thousand, Seven Hundred, Eighty-Five Dollars), for salaries and benefits to be set aside in a merit wage pool for full-time and part-time Town personnel. (Salaries: \$27,386 Benefits: \$4,399)

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 7-0-1

Article moved as written by Chairman Barry, seconded by Selectmen Robertson

Chairman Barry stated they the Board had studied the Employee raises for two years and they would like to reward employees for their hard work. The raises were originally part of the budget, but the Board felt that they would put them as a separate Warrant Article so the Town's people can vote on it.

Chairman Barry also stated that the Town Employees have not had a raise in three years. The board feels that the town should vote for this article for putting a pool of money to award merit raises as they deem deserved.

Seeing no discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 7

To see if the Town will vote to raise and appropriate the sum of \$22,000 (Twenty-Two Thousand Dollars), for the purpose of repairing and improving the parking lot, sidewalk, handicapped walkway and retaining wall at the Library/Fire/Rescue departments.

Recommended by the Board of Selectmen 5-0 Recommended by the Municipal Budget Committee 5-1-1

Article moved as written by Chairman Barry, seconded by Selectmen O'Neal.

Chairman Barry referred to a poster in the rear of the Town Hall for information.

Chairman Barry deferred to Highway Agent Alex Cote for discussion.

Alex Cote had stated that the work associated with this project originally came from the Charrette Plan that was published in 2000. This would be used as a traffic calming arrangement by making Church St. a pedestrian friendly street.

Chairman Barry stated that this is the first of two phases.

Seeing no discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 8

Shall the Town of Deerfield raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by the vote of the first session, for the purposes set forth therein totaling \$3,305,643.00. Should this article be defeated, the default budget shall be \$3,327,717.00 which is the same as last year, with certain adjustments required by previous action of the Town of Deerfield or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of the revised operating budget only.

Recommended by the Board of Selectmen 4-0 Recommended by the Municipal Budget Committee 8-0

Article moved as written by MBC chairman Spillane, seconded by Chairman Barry

MBC Chairman Spillane stated that he would like to congratulate the Board of Selectmen for their hard work they had put into making the Operating Budget lower than the Default Budget.

Matt Fisher made a motion to increase the Police Part-time line (01.4210.01.111) by \$8,000 to make the line \$20,146, seconded by Alan Wilson.

Mr. Fisher deferred to Police Greeley for discussion. Chief Greeley stated that last year the department had a Full-time officer resign which caused the Part-time line to be overspent by \$12,000. Chief Greeley went on to discuss how the number of calls have increased from 1871 in 2009 to 2019 in 2010, arrest went from 109 in 2009 to 164 in 2010.

Chief Greeley feels that by increasing the part-time line it would better allow the department to provide coverage of the full-time officers during court, sick, and vacation times.

Selectman Reagan stated that he is opposed to the amendment and he stated that he feels that the department is too large now in comparison to surrounding towns. Mr. Reagan also mentioned that we should rely more on the State Police and Sheriff departments for backup during the overnight hours.

There was further discussion regarding 24 hour coverage in surrounding towns and how some residents feel that we would be un-necessarily funding total coverage for other towns who do not have 24 hour coverage. The discussion also went into how the department is forming a unions and how some residents feel that it not necessary.

Some residents feel that it is now an issue of officer safety when cutting the schedules down to the bare minimum will result in a Liability issue in the Town.

Chief Greeley said that when they moved an officer from full-time to part-time due to retirement that this made two openings in the full-time roster. The Chief also stated that with the State Police budget cuts that we may see a State cruiser once a week and that the County Sherriff is not serving the town in ways other than serving papers. The Chief also

stated in the ten years that he has been here the department grew by 1 officer and reduced by 1 officer keeping the department at the same level.

Selectman O'Neal moved the question seconded by Mark Tibbetts

Moderator Hutchinson ruled that the discussion had be moved by unanimous consent.

Moderator Hutchinson called for a vote on the amendment increasing the part-time line by \$8,000.

Ayes have it.

Erick Gross asked how the Health insurance line was derived before the 2010 actuals were available and that there seems to be a 25% increase.

Selectman Robertson stated that the health care cost went up dramatically for next year. The budget was determined from the number of employees who have signed up for the insurance during the open enrollment period.

Erick Gross asked about the solid waste lines and why the anticipated increases.

Chairman Barry stated that the increases were mostly due to an increase in the tipping fees and other additional fees billed by the haulers. Chairman Barry went on further explaining that the costs for removing the recycling has gone up and the revenue associated with the recycling has also increased.

Chairman Barry also stated that with the change in workers at the Transfer Station they are looking into how they can "fine-tune" the expenses associated with the Transfer Station.

Eric Gross made a motion to reduce line 01.4324.01.420 by \$8,200 seconded by Tom Dillon.

Selectman Reagan stated that the estimates are based on experience and varies with the market conditions. Selectman Reagan recommends a vote to reject the amendment.

Seeing no further discussion, Moderator Hutchinson called for the vote on amending line 01.4324.01.420 by \$8,200.

The Nays have it the amendment fails.

Seeing no further discussion on article #8 the Moderator called for a vote on amended article #8 in the amount of \$3,313,643 for an operating budget.

The ayes have it.

The Moderator instructed the Clerk to place the Article on the ballot as amended.

Article 9

To see if the Town will authorize the Board of Selectmen to sell the real property held by the Town for the non-payment of taxes and identified as Map 208 – Lot 47.1 & Map 208 – Lot 47.2 to Daniel Anibal and Leah Anibal, the current owners of Map 208 – Lot 46, for an amount equal to the taxes that should have been paid during Town ownership. This conveyance is to correct an erroneous but inadvertent division of property that had been previously merged by the Deerfield Planning Board. A portion of the home and septic system located on Map 208 – Lot 46 by the Anibals or their predecessors extends onto Lots 47.1 and 47.2.

Recommended by the Board of Selectmen 5-0

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Selectman O’Neal stated that the Warrant is self-explanatory and that the land should never have been split up.

Seeing no discussion, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 10

To see if the Town will vote, pursuant to RSA 231:45-a(I), to discontinue subject to gates and bars that portion of Swett Road, aka Sidmores Road, which is currently a Class V, Town maintained highway.

Recommended by the Board of Selectmen 4-0

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry stated that the road in question is really a driveway for two homes. The Highway agent has made the recommendation that we discontinue maintenance on this dirt road. The Board of selectmen have decided to bring this issue forward for the towns people to vote on the matter.

There was much discussion as to how other roads in town have been discontinued by town votes in the past. Chairman Barry stated that per legal counsel they have the ability to continue with this practice.

Seeing no discussion on the Article, the Moderator instructed the Clerk to place the Article on the ballot as written.

Article 11

To see if the Town shall vote to convey conservation easements to one or more qualified conservation organizations for the following Town-owned Town Forests and Conservation Areas, which will permanently restrict their use to open space purposes, including wildlife habitat conservation, forestry, and recreation:

Arthur Chase Town Forest	Tax Map 414 Lot 73	40 acres
Dowst-Cate Town Forest	Tax Map 416 Lot 16	100 acres
Hart Town Forest	Tax Map 403 Lot 2	71 acres
Lindsay Conservation Area	Tax Map 415 Lot 30	58 acres
McNeil Conservation Area	Tax Map 406 Lot 12	63 acres
Weiss Town Forest	Tax Map 416 Lot 18	93 acres
Wells Town Forest	Tax Map 411 Lot 39	80 acres

Recommended by the Board of Selectmen 5-0

Article moved as written by Chairman Barry, seconded by Selectmen Reagan

Chairman Barry deferred the discussion to Conservation Commission Chair Serita Frey. Ms. Frey stated that this article is the same as last years’ article which received a 76% approval rating except that it is binding this year. The article will provide for a permanent conservation easement on the properties to protect them and make them open for recreation and wildlife habitation.

Joanne Wasson stated she had an interest in several of the parcels but particularly in the Dowst-Cate Town Forest. She had been a member of the Select Board in 1993 when the town received this “wonderful piece of land” from a descendant of the family which had owned the land for two centuries. “Why can we not as a town take care of the land?” she asked. “Why turn it over to organizations to manage and lose control?” She gave the example of Bear Paw Regional Greenways, a private organization which, she claimed, would have the right to sell, exchange, lease or otherwise dispose of property they control. “We should take care of it for ourselves,” she concluded. The meeting, now far from over, spent the next hour and one-half debating her contentions and the powers and rights of the Select Board, Conservation Commission and third-party monitoring organizations.

Erick Berglund of the Conservation Commission then spoke, saying there are many qualified organizations such as the Society for the Preservation of NH Forests or Audubon which could manage the forests in addition to Bear Paw. The management of the easements would go out to bid. He pointed out that the town would still own the forests and it was incorrect to say that land would leave town control. Select Board Chair Barry asked Erick Berglund if the Conservation Commission is qualified to monitor the

easements. Erick Berglund said the Commission is not, as the members are volunteers and there are not funds budgeted to do it.

MBC Chair Spillane countered that the town did not have to give up the easements (to a third-party monitor). He said the Conservation Commission is charged with protection and management of land and should not pass on town rights.

Harriet Cady said she was appalled that people charged with conservation said they could not monitor the land. She suggested the Select Board appoint better people. She countered Frey's contention that there would be no additional costs to the town as the Conservation Fund receives one half of current use charges. She further stated that her reading of the bylaws of the potential monitoring groups gave them the right to sell conservation easement land and that if members of the Conservation Commission felt it was acceptable to pay money each year to a monitoring group for one inspection per year, the Select Board should appoint people who can do the job. She went on to say that some members of the Conservation Commission are also members of Bear Paw, which is a conflict of interest, and she was further appalled that the town would turn over land for our children's future to an out-of-town organization. She finished by saying she wanted an amendment to have the Select Board do their duty and oversee the easements, although she did not have specific wording for the amendment.

Selectman Robertson said he felt the discussion was getting emotional and personal and that third-party conservation organizations typically have been used by the town. He added that there seemed to be some confusion about ownership and conveyance. The intent of the Article, he explained, was to conserve the land which is already owned by the town, and which Harriet Cady now wants to convey to the Select Board as representatives of the town. This would have the effect of the town monitoring itself.

Chairman Barry stated that the Select Board had received thousands of dollars of legal advice about the Article. Town counsel had been involved in wording Article Eleven which was attempting to establish conservation easements on land already owned by the town.

Harriet Cady then contended that other town easements had been deeded to Bear Paw which could then sell or lease the land. Chairman Barry responded that the Board did not agree with Harriet Cady's interpretation. She later reiterated that she had seen the deeds which conveyed the easements.

John Dubiansky asked if residents, by voting "no," would accomplish Cady's goal as there would be no outside management. Chairman Barry agreed that it would eliminate the third party, but it would also mean there would be no conservation easements on the forests, thus allowing the town to change the use or sell the properties.

Sandra Fox stated that she feels that the discrepancy between the Board's interpretation and Harriet Cady's interpretation of a third-party's right to deed away easements should be investigated and the Board should admit their mistake when found to be wrong.

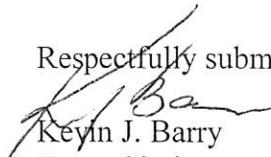

Robertson explained that deeds do exist, as conservation easements involving two or more parties are recorded at the Registry of Deeds.

A discussion of the Clifford Property, upon which a conservation easement had been purchased by the town, ensued. It did not serve to clarify the issue.

Moderator Hutchinson then announced that he was ruling Harriet Cady's amendment out of order as the town cannot hold an easement on itself. He did remind those in attendance that the body could vote to overrule the Moderator. The body chose not to do so.

Seeing no further discussion on the article, the Moderator instructed the Clerk to place the Article on the ballot as written.

TOWN OF DEERFIELD
SESSION #2
MARCH 08, 2011

Moderator, Jonathan Hutchinson opened with the following remarks:

With the permission of the gatekeeper, approach the ballot clerks and state your name.

The clerk will repeat your name to confirm that it has been heard correctly.

The clerk will locate your name on the checklist and read your name and registered address to you. If it is not correct, you should advise the clerk of the address of your current Deerfield domicile. The clerk will correct the address on the checklist.

The clerk will hand you a set of three ballots.

Enter the voting area to mark your ballots.

Please do not fold the ballots.

Place your machine – readable ballots into the ballot counting machine one at a time and gently insert each into the slot. The machine will read a ballot presented in any orientation. If there are lines at the machines, voters may insert their ballots in the box to be counted later.

The ballot clerks have privacy envelopes available for any voter who requests one to cover his or her ballots as they are inserted in the machine.

If a voter marks an erroneous vote or makes any stray marks on a ballot, he should either correct it and request that it be hand counted or return it to the Moderator as a spoiled ballot and request a new one. However a voter who spoils three ballots will not be issued a fourth.

At any time after a voter declares his or her name to a ballot clerk and receives a ballot and before he or she inserts that ballot into the ballot counting machine, any Deerfield voter or a qualified challenger appointed by the Attorney General has the right to challenge the voter. All challenges are based on either the voter not being legally qualified to vote in Deerfield (not yet 18 years of age, not a U.S. Citizen, not domiciled in Deerfield) or other legal grounds such as the voter is not the person he claims to be, has already voted in this election, has had his voting rights suspended or is an incarcerated felon. The challenge must be for a specific reason and must be submitted to the Moderator in writing on a Voter Challenge Form. If the challenge is found to be well grounded, then the voter may vote only if he or she completes and swears a challenged voter affidavit.

Any questions, concerns or complaints about the voting process should be directed to the Moderator or his assistant.

If any voter feels his rights have been violated, he should approach the moderator. If he is not satisfied with the moderator's advice or decision, he may phone the attorney general's office at 1-866-868-3703.

That part of the hall where ballots are being handled – from the ballot clerks past the voting booths to the ballot counting machines is termed “behind the guardrail”. It is to be used exclusively for the business of voting. Only voters in the process of voting, election officials working on the election and police officer should be in this area.

Voting is a public event and anyone has the right to observe. Observers should be outside the rail and leave a clear path for voters.

We will see many friends in Deerfield today. However please respect the election and comply with the law. Take conversations outside the voting area.

There is NO electioneering in the place. Campaign badges must be removed when entering and clothing bearing campaign slogans or candidates' names must be removed or covered.

We must maintain a clear 10 foot corridor to the doors to the hall. Voters should be comfortable entering and leaving the building without impediment or delay. Electioneering is restricted to the designated areas outside the building.

Also, under RSA 664:17 “No political advertising shall be placed on or affixed to any public property including highway right – of – way”.

Moderator Jonathan Hutchinson read the Warrant for the meeting:
