RODENT DAMAGE

Mr. L. B. Chase,

Dear Sir,

About one year ago I wrote asking you, when the grooved was ~~was~~ settled and after a reasonable time, to write me what condition the Dearborn Cemetery was in.

I saw by the "Concord Monitor" that you were re-elected and have been patiently waiting for a letter since.

I now write again to ask what, if anything, has been done — also if my suggestion of inserting an article in the Warrant each year to insure care of the place was

made whereby perpetual care can be given the place. It ought to be a easy and a right thing to do.

adopted, or any other method taken to secure that result.

It is very unpleasant for me to keep on writing in this way. I wish, instead, that I might be assured, once and for all, that the Town would deal honestly with me and do as it promised to do when it voted to accept my money.

As you know, $450. is quite a bit of money and I feel just exactly as you would in my place, having given the money to accomplish an object very dear to my heart.

Kindly write upon receipt of this and give me all the information that you can and I shall expect you can tell me that some arrangement has been
