

BOAT REGISTRATION INFORMATION

You can register your boat at the Deerfield Town Clerk / Tax Collector's office during our regular business hours or at 8 Raymond Rd, Deerfield, NH 03037.

You do not need to be a resident of New Hampshire to register a boat. The boat needs to be housed or spend most of its time in New Hampshire.

Boat registrations are valid January 1 – December 31 of the current year. All registrations expire on December 31, regardless of the registration.

Registration fees vary based on age, length and horsepower of your boat.

RENEWALS:

If you are renewing your boat registration, you should have received a renewal form in the mail from the State of New Hampshire. That is all you will need for paperwork. Please bring the signed renewal form with you.

If you did not receive the form or have lost it, bring in last years registration if you have it, and this renewal will need to be done in person by the primary owner.

NEW REGISTRATIONS:

If you are registering a new boat (even if it is just new to you!), the primary owner must appear in person and you will need the following:

- Picture ID, i.e., drivers license, etc.
- Bill of sale
- NH Bow number (if you boat does not have a bow number, we will issue it one)
- Hull number
- Year, make, and model of your boat
- Horse power of engine
- Length of boat
- What the hull is made of (fiberglass, aluminum, plastic, etc)
