To Selectman/Mayor/or Town Manager,

Please be advised, that New Hampshire Electric Co-op (NHE CO-OP) and its contractor consultant, Vegetation Control Service, Inc. (VCS) intends to selectively apply herbicides to undesirable vegetation growing within power line rights of way corridors located in your community.

This treatment will be performed by experienced, State of NH Certified Applicators, authorized by Special Permit # 050, issued by the NH Division of Pesticide Control. In compliance with State of NH, Code of Administrative Rules, Pes 505.06 regarding public notification of herbicide treatments to rights of way, we have enclosed the following for your information and review.

- Copies of the "Herbicide Use Notification", including the identification of the power lines scheduled for treatment, herbicide products to be used and an attached returnable coupon for those individuals who desire personal notification or may want to advise us of a sensitive area of concern near the right of way.
- Copy of the topographical maps, depicting the location of the power line, rights of way intended for treatment.
- Copies of (NHE-CO-OP's) door hanger notification of herbicide spraying to be left with each power line right of way abutter along with a copy of the "Herbicide Use Notification".

In addition to this enclosed notice, the "Herbicide Use Notice" will be published in a newspaper of State wide circulation and those of local circulation, to help inform the public. We encourage you however, to post this notice in customary places of public notification as you deem appropriate.

If you have any questions, comments or concerns about the actual herbicide treatment program, please feel free to contact me at 603-325-3227 during the hours of 8:00 am and 4:00 pm, Monday thru Friday.

If you have questions concerning NHE CO-OP's lines, poles, facilities or general information relating to utility issues, please contact:
