

Minutes of Supervisors of Checklist May 22, 2014

Harriet Cady, Tom Dillon, and Gloria Riel met at 6 PM so that we could change any information or voters changes that needed to be changed for the checklist. Also to print the checklist so it could be posted on 05/23/2014.

The website was not available to us so we did everything we could while waiting for website. We recessed at 7 PM until 5/23/2014 at 9 AM.

We did see that the town had updated the pc and one laptop so that we could use them as needed.
