

Supervisors if the Checklist Meeting 08/12/2014

Harriet Cady and Gloria Riel met at 11 AM, 08/12/2014 so that we could meet with IT administrator, Steve Jamele, so that he could make sure our computer and laptops would be in top shape for the elections and other work we needed to do. There were many updates to wait for ,and a few problems that he was able to get fixed. Harriet and myself were able to do updates to the checklist and print it out so that it could be posted that day. There were a few other problems with the printing, but Steve Jamele and Jan Foisy were able to work things out and Harriet posted the copies the checklist on 08/12/2014.

Also, Harriet submitted our budget to the Deerfield Selectmen.

The meeting was recessed until 6:00 PM 08/12/2014
