

## Supervisors of the Checklist 11/25/14

Harriet Cady, Tom Dillon, and Gloria Riel met at Geo. B. White office to batch the general election of 11/04/14. Tom and Gloria worked on this while Harriet was working on other things, one of which was validating signatures on petitions which we helped with also.

We updated anything that needed to be done.

We also agreed to remove 34 voters who moved out of Deerfield.

We agreed to recess to be able to finish batching and validating on 11/29/14.
