

03/06/2015 Supervisors of the Checklist Meeting

Harriet Cady and Gloria Riel met at the office at 8:30 A.M to print updated checklist to be able to post it.

We had problems with finding the printer on laptop and could only print one copy. Had to have Kevin come down and give us help. He could go to the town office and retrieve the checklist from their printer and could also make the copies right at that printer that we needed to keep and to post and give to the ballot clerks.

This took a lot longer than should have been necessary and hopefully the problems will be cleared up very soon.
