Supervisors of the Checklist

Special Election

Harriet Cady, Tom Dillon, and Gloria Riel met at Deerfield Town Hall at 6:30 AM to unpack and set up to prepare for the voters.

We all worked very diligently all day to update and enter changes into the computers. We also answered questions the voters may have had and gave them whatever forms they needed to make out.

We packed everything up right after 7 PM and returned everything to our office and put it away leaving about 7:30.

We agreed to meet to batch this election and do any other updates and whatever might be necessary
