

Emergency Meeting for
Supervisors of the Checklist

08/11/2015

Harriet Cady and Gloria Riel met at 10:30 at SOC office because Jan Foisy could not locate the 2016 developed budget for the Supervisors and it was delivered to her office on 06/26/2015.

Harriet and Gloria wanted to print another copy and deliver it but the laptops weren't back in our office because they weren't updated yet. We waited and were able to print another copy. Harriet and Gloria took the reprinted copy to Jan.

We left at 12:30.
