Supervisor of the Checklist Work Session

Harriet Cady, Tom Dillon, and Gloria Riel met at the office to do any and all updates that were necessary before printing new checklist.

We were able to finish this and print the checklist.

Tom began filing the voter's registration forms, but had to leave and Gloria finished them.

Harriet posted a checklist at the Town Clerks office and another at the Post Office which is required.

We then recessed until 01/11/2016
