

Work Session

Supervisors of the Checklist 01/11/2016

Harriet Cady and Gloria Riel met at the Supervisors office for doing all work that was necessary.

We checked in more voter registration forms that were returned and filled out. We also opened quite a few returned unopened letters that we had mailed out to voters.

The returned unopened letters voters were placed on the 30 day letter list.

We agreed to recess at 5:30.
