

## Supervisors of the Checklist

Work Session 01/16/2016

Harriet Cady and Gloria Riel at office to do all work needed.

We checked in more voter registration forms that were completed and returned to us.

We also had more letters returned saying the person was not at that address any longer.

We prepared 30 day letters for these people and then addressed the envelopes necessary.

After completing any other work necessary we recessed until 01/19/2016 at 6:00 P.M.
