Supervisors of the Checklist Work Session

Harriet Cady and Gloria Riel met at the office to do everything that needed to be done to update the checklist and complete anything else that needed our attention.

With that done, the new checklists were printed and made ready for posting at any additional polling place RSA658:12. Two to give to clerk as law states. We posted a checklist at the Town Clerks office also one at the Post Office. The Supervisors each have one if needed.

We recessed until January 30<sup>th</sup>, 2016 to meet at the office to pack up everything needed to take to the deliberative session at the Town Hall.
