Supervisors of the Checklist Meeting

On Tuesday, August 9, 2016 Harriet Cady, Gloria Riel, and Diana Allard attended a HAVA Voter Election Law seminar held in Brentwood, NH. This was a 3 hour seminar to acquaint town officials with the new legislative laws which they will be required to use in the elections.

On Wednesday, August 10, we opened the Supervisors of the Checklist office at 1PM. We received petitions for State office from the Green Party, the American Delta Party, the Libertarian Party, and Independent Alden Dill. We looked the signers up on the Checklist to verify they are voters registered in Deerfield, and examined their signatures to verify that they were the person who signed the petition. Not all petitions were finished at this session but will be finished during our next meeting.

The Checklist was also worked on with 4 voters being removed as necessary and 3 new voters added.

The meeting was adjourned at 5:30PM.
