Supervisors of the Checklist Meeting

Harriet Cady, Gloria Riel, and Diana Allard opened the Supervisors of the Checklist office at 12:30PM on August 22, 2016. This was a continuation of the recessed meeting we had on 08-15-2016 in order to determine which voters would be marked to fill out an updated registration form.

We continued to clean out the files and alphabetized voter cards.

Harriet contacted the Federal Postal agency in regards to the checklist and sample ballot that had been removed from the post office bulletin board by our Postmaster because he questioned the legality of posting personal information in a public place. Harriet scanned a sample ballot and several checklist pages and emailed them to that agency. Yesterday, Aug. 23, the U.S. Postal Agency contacted Harriet and said the sample ballot could be posted and are checking to determine if party affiliation is considered personal information.
