

### **Apply Now for 2016-17 Fuel Assistance!**

Fall is here so plan now for those winter heating bills. Fuel Assistance applications for the 2016-17 Winter Season are currently being accepted. You may call 895-2303 to set up your appointment!

The fuel assistance is offered through Rockingham Community Action (CAP). Grants will begin being disbursed in December 2016, but **the time to apply is now.**

If you are facing difficult times, you may also qualify for **electric assistance** – it is a separate program. Just ask about this program when you apply for fuel assistance. Again, call 895 2303 to set up your appointment!
